

Kate F. Greenwood

Principals / Directors

Kate is a principal and director with Studioaria and resides in Sydney, Australia where she creates and develops designs for all interior projects. Kate has lived and worked in Europe, America, Asia and Australia and travels extensively for business & leisure and has designed timeless contemporary interiors for inspirational award-winning projects around the world. Because of her global experience, Kate understands that the unique culture & heritage of each project location be respected & reflected into the interiors as contemporary interpretations that celebrate the culture and create memorable interior experiences for the local, regional and international communities they serve.

Since the launch of Studioaria on 01 January 2010, Kate has worked on or is working on the following projects:
